About Us

Children's Ground is working to create an environment where families realise their aspirations for the next generation of children to be free from trauma and suffering, to enjoy equity and safety, to be able to grow into adulthood happy and healthy, and to have agency over their social, cultural, political and economic life. To learn more about Children's Ground and the work we do, visit our website: <https://www.childrenground.org.au>

About the Job

The Data and Evaluation Officer will work alongside First Nations communities to undertake monitoring, evaluation and research of the Children's Ground Approach to evidence impact and change in outcomes for children, families and communities. This includes contributing to and supporting evaluation design, data collection, data analysis, reporting and communication. The role also involves working closely with Directors and staff to continue increasing knowledge and embedding a culture of monitoring and evaluation within the team and communities.

About You

We are looking for a dynamic and innovative Research & Evaluation Officer to join our team. The successful incumbent will have a relevant degree/qualification or the equivalent professional experience in monitoring and evaluation along with demonstrated experience in designing and implementing evaluation and research approaches within a community context.

Ideally, you will be First Nations.

We invite you to walk with us on this unique journey...

Please apply [via - SEEK](#) and upload a covering letter with a response to the key selection criteria contained in the position description and your current resume.

Applications to be received by **COB Friday 8th July 2022.**

In line with our workforce development strategy, Children's Ground strongly encourages and supports Aboriginal and Torres Strait Islander applicants to apply.
