### About the Job

The Maintenance Officer will be responsible for the maintenance of infrastructure, vehicles and associated resources for Children's Ground – Top End. You will also play a role in community development and jobs that are identified to improve the communities we work with by:

- Upkeep and safety of Children's Ground facilities and assets and ensuring all facilities are maintained and in a safe clean work environment.
- General maintenance of the office and communities as well as monitoring for potential hazards. Support the Operations Coordinator with asset management, asset registers & maintenance schedules
- Land management support with landscaping, gardening, fire burning, rubbish collection
- Support with car maintenance including regular cleaning, maintenance and organisational logistics
- Mentor community members in safe driving, understanding safety policies and procedures and general vehicle maintenance
- Contribution to the planning and delivery of community development, learning, and cultural activities. You will mentor and engage local young people to connect and develop skills in their community by supporting and identifying training opportunities.

- Liaise with local First Nations families in relation to the team's activities to ensure that Children's Ground operations actively promote local cultural knowledge and practice.

### **About You**

You will have experience in maintaining vehicles, small engines, gardens and buildings and working with First Nations people and communities with strong people skills – teamwork and collaboration

You will need a current manual drivers licence with 4WD experience and be able to fly in small airplanes to remote communities.

This is a fast paced, innovative and complex environment so you will need to be a self starter who thinks systemically. You will be a self starter who is passionate about social justice and empowerment and focused on achieving excellence.

This role will require working regularly in outdoor conditions, sitting, standing and moving around in outdoor settings, including getting in and out of motor vehicles and remote location work.
