Tenure:	Full time (38 hours per week) 12 month contract (a further contract may be offered subject to funding)

Background

Children's Ground is working to create a different future for children, families and communities in Arnhem Land and Central Australia. Children's Ground is inspired by families and communities - they are involved in how we design and deliver all activities.

Children's Ground has ten principles that guide us all in how we do all our work:

1. Start early with the little ones
2. Stay with them and grow with them until they are big
3. Work with everyone
4. Use and celebrate people's ability and strength
5. Connect everything – health, learning, family and life
6. Always think about old ways and new ways of doing things
7. Expect and deliver the best
8. Child, family and community led
9. Whole of community, in community
10. Culturally safe

Children's Ground is Australian designed with First Nations people. It is a whole of community, whole of life approach. Children's Ground works with a community over the course of a generation, led by local expertise, vision and intelligence. Together, we create and deliver an integrated system that is centred on the learning, development and wellbeing that respond to the child and their family through the key transition points from pre-birth to young adulthood. Our approach recognises the cultural, social and economic strength of communities and builds on this to equip children for opportunities locally, nationally and globally.

We are about creating a different future for children, families and communities experiencing the greatest levels of disadvantage and inequity in Australia. Our first priority is walking with and supporting First Nations communities.
